

Fellow and Eminent Fellow Application Checklist.

Dear Applicant or Nominator,

It frequently happens that on receipt of an application, we find that certain elements of the application, or related information, is missing. This is regrettable of course since it means there will be a delay in processing the article while we obtain the missing details. In order to avoid such delays, could you please run through the list of items below and make sure you have completed the items.

Documentation for APS Fellow submission	check
Self-nomination or nomination by any member of APS	
Applicants CV (including evidence of a minimum of 8 post training years in the pharmaceutical sciences)	
A one-page summary of achievements and why a person is eligible	
Proof of APS membership (for at least one year)	

Documentation for APS Eminent Fellow submission	check
Nomination by any member of APS	
A letter of support from a member of APS	
Applicants CV (including evidence of a minimum of 10 post training years in the pharmaceutical sciences)	
A one-page summary of achievements and an explanation of why Eminent Fellowship is justified	
Proof of APS membership (for at least one year)
